DÉSCRIPTION

Rowenta Turbo Silence Extreme, Stand Fan, Powerful, VU5690F0

POWERFUL REFRESHMENT: For extreme intense refreshment you can feel from across the room—up to 8,2 m away on maximum speed

EXTREME SILENCE: At only 32 dB(A) thanks to Effitech motor technology, the Silent Night mode ensures intense yet peaceful refreshment while you sleep

ENERGY SAVINGS: 65% energy savings, for the same performance (airflow performance measured internally, according to standard EN/IEC 60879:2019 and set to 50 m³/min, compared to VU5640F2)

TAILOR-MADE REFRESHMENT: Stand fan delivering refreshment tailored to your every need—choose between 14 speeds for the ideal level of refreshment, from light breeze to powerful airflow

15-YEAR REPAIRABILITY: Low-cost parts available in our 6200 repair centers worldwide, for quick repair over many years—part of our commitment to help protect the environment and cut down on waste

COMFORT OF USE: Compact remote control for full accessibility from afar, meaning no need to get up from your sofa—plus smart built-in storage so you never misplace the remote again

ULTRA CONVENIENT: Digital LED screen with timer of up to 12 hours, plus 3 auto modes—Natural Breeze, Night (automatic reduction for peaceful nights) and Silent (best ratio between performance and silence)

EASY TO USE: Effortless adjustment of flow height, speed and direction thanks to the automatic 120° oscillation, for wide air diffusion all over the room
